

BLACKBIRD

Blackbird is an up and coming artist, originally from the island of Cyprus, currently located in Los Angeles.

Influenced the melodies of the island. Her music captures the Byzantine, mediterranean scales blended with electronic western pop music. Paving the way to a new music genre, Blackbird has successfully meshed known greek time signatures of 7/8 into cultural pop with her debut single Aphrodite.

Blackbird captured the audience's attention with her vocal range, power and harmonic minor melodies. Her songs and music videos have won multiple accolates over the years, shining light not only on her vocal talent, but her cinematic eye. Blackbird has won Best Song, Best Female Vocalist, Best Actress and many more.

She has also performed along side notable artists like Zia Victoria, Black Morris and Kat French at famous venues like The Mint, The Paramount, Hotel Cafe and many more.

Her newest EP release "Where is Home" is a genuine reflection to her roots, while putting her heart on her sleeve, she takes her listeners on a journey of self discovery.
